The Decorating Begins!

By Barbie

With the assistance of several volunteers the front yard was decorated on Saturday, October 20. Thank you to Laurie and Matt Abatiell; Christina Gauvin and her daughter Lisa; Dillon Trombley and Gary Spaulding. There is still a lot to do and all volunteers are encouraged to join us next Saturday, Oct. 27 to continue with the decorating. Good news... all costumes have been assigned and the floor plan for this year's haunted house has been determined. As with every year, we are taking on a new scare and trying to create a fresh and dynamic experience for our "guests." Halloween is only NINE days away!! Boo Crew shirts are in; get yours on Oct. 27.

Casting Call

Lisa...Ghost #1
Matt ...Gargoyle #2
Bridget W...Vampira #3
Colin...Scream Scene #4
Kayla...Doll #5

Costumes are subject to change and we ask that volunteers be prepared to change roles if necessary.

Work Party

With only one work party remaining before the BIG DAY we need as many Boo Crew as possible on Saturday, Oct 27 from 1 to 3 pm. We need pumpkin carvers, sign makers, indoor decorators and corn maze builders. Pizza and soda will be provided. Dress warm and wear your Boo Crew shirts for a cast photo.

2012 Haunted House Floor Plan

Below is the 2012 Haunted House Floor plan. The numbers in the plan correspond to the costumes and show where in the house volunteers will be located. We have tried to keep the most popular scares over the years and introduce some new ones. We always want to make the experience for those that dare to enter exciting, fresh and new. To protect our volunteers this year there will be a new sign erected at the entrance with rules of conduct for trick or treaters. Trick or treaters will only be allowed through the house once unless accompanied by a parent or at the discretion of the mistress of the house....me. On Halloween volunteers are encouraged to be here by 4 pm and costumes, accessories and makeup will be arranged in the garage. At 10 minutes to 5 pm all volunteers will enter the house through the back door and get into position. We will open the doors at 5 pm and let the scaring begin! If you have any questions or concerns please feel free to contact me at 802 236-3359. Thanks again to all of you for making this possible!
