Zombie Barbecue!

By Barbie

Thank you to all of you who showed up at the Boo Crew Barbecue! We made several decisions with regard to this year's haunted house including unveiling the 2012 New Scare...ZOMBIES! In my attempt to throw you all off the scent; I led you to believe the new haunt would be dolls. Some of you were fooled until Michael Jackson's "Thriller" introduced one of a few zombies that will take up residence this year in the haunted house. The first annual Coffin Awards were distributed at the barbecue. Fortunately we also have several new volunteers and we are always grateful for new blood! We continue to invite anyone who is interested in volunteering to show up at the work parties.

2012 Volunteer Information

At the barbecue, it was decided the Haunted House would be open from 5 to 9 pm. The Halloween Parade which normally interrupts the night is scheduled for Saturday, Oct. 27. This will be the first year the Bellevue Avenue Haunted House won't have any competition so it will be a learning experience for us all. Volunteers should be on site by 4 pm on Oct. 31 at the latest especially if they need makeup. Costumes will be in the garage. This year a couple volunteers will be assigned the duty of "drifter" which means they will walk through the haunted house to ensure that all the volunteers are safe and to escort any disruptive trick or treaters to the nearest exit. The Haunted House configuration for 2012 will be published in the next newsletter. We will again have trick or treaters enter through the front door and exiting into the backyard. We will enforce the "single pass;" meaning trick or treaters will only be allowed through the house once unless they are accompanied by a parent. Let's make this a very scary and safe Halloween for everyone! Thanks again to all of you for making this possible.
